Letter from Board Chair

Dear FNSP Friends,

Another year has flown by filled with much success for the Friday Night Supper Program (FNSP). This is all thanks to you- our staff, volunteers, board, donors, and friends! Welcome to our 2022 Annual Report.

It was a year of transition for FNSP as long-time staff moved on to further their careers and board members' terms came to an end. We were sad to see staff and board members go but have been lucky to bring on new staff and long-term volunteers of the program to the board. During this time of change it has given our team an opportunity to look at the services we provide and question ourselves on how we can do more for our guests and further collaborate with local organizations in the hopes of bringing more resources to those in need. We continued our partnership with Boston Health Care for the Homeless Program to offer flu and Covid-19 vaccination clinics on site and our partnership with Rescuing Leftover Cuisine of Massachusetts to redistribute surplus meals to other local organizations. We also established a new partnership with St. Francis House delivering to-go meals for their guests that are unable to join us in person on Friday nights.

In this time of transition, our volunteers have been pivotal in our program operations success in 2022, stepping up to support our new Program Director and Kitchen Manager to lead service on Friday nights. We thank you, because without our volunteers we could not pull off the preparation of the meal and serve our guests each Friday night.

We are thankful for our friends and donors' generosity, which allowed us to meet our budget for the year, replace aging equipment in the kitchen, and reach many more people in need in the local community. We are grateful for your ongoing support of FNSP as the world and economy continues to shift, and people transition to post COVID norms. FNSP is entering the new fiscal year with financial stability, growing guest numbers, and a strong and dynamic board. We are fortunate to have your support on this journey.

With Gratitude,

Jennie Vital
FNSP Board Chair

OPERATIONS

During the past year, we continued to serve in-person meals every Friday, welcoming many new guests and volunteers. We are so energized by the sense of community brought on by the in-person dining experience; and we continue to uphold the safety standards that allowed us to navigate through the most difficult moments of the COVID-19 pandemic.

Continuing practices and partnerships launched during the COVID-19 crisis, we remained steadfast in our commitment to preparing to-go meals for in-person guests and local partner organizations such as Rescuing Leftover Cuisine Massachusetts (RLCMA), the New England Center and Home for Veterans (NECHV) and St. Francis House.

Some highlights of this year:

- Prepared 4,356 meals using more than 14,000 pounds of food purchased from the Greater Boston Food Bank.
- Served 3,172 meals to FNSP guests and distributed 1,184 meals through partner organizations. (23% more guests were served in-house this year than in Fiscal Year 2021).
- Partnered with the Boston Healthcare for the Homeless Program (BHCHP) to provide flu shots and COVID-19 vaccines onsite to our guests and volunteers.
- Held multiple volunteer appreciation events, including a picnic on the Boston Common.

OPERATIONS

At the heart of FNSP's work are the hundreds of volunteers who donate thousands of hours to our program each year. On Friday afternoons, they unpack deliveries, chop fresh ingredients, prepare the evening meal, and set up the dining hall. Our evening volunteers serve our guests restaurant-style at their tables, distribute clothing and toiletries, and help with the cleanup.

This past year we said farewell to our long-time Program Director, Cameron Gray, who left the program to pursue a career in Biochemistry. And Kitchen Manager, Joseph Gaudet, relocated with his family to Maine. Two new staff members joined our team: Hasani Gunn, Program Director, and Rene Williams, Kitchen Manager. Hasani's passion for the program, and Rene's cheerful attitude are phenomenal, and we are grateful that they chose to work with us. Filling a new part-time Program Coordinator position, Sophie Drodz joined the staff team in July 2022, after almost a year of volunteering with FNSP.

Last, but not least, in Fiscal Year 2022, we welcomed three new Board members, all of whom have been active volunteers and support our operations— Andrew Chen, Jeff Moyer, and Cecilia Sol Plotkin.

CLOTHING CLOSET

FNSP's Clothing Closet is open the second and fourth Friday of each month to distribute seasonal clothes, shoes, toiletries, and other essential items to guests. FNSP is especially grateful to Kathy Hassey, our long-time volunteer Clothing Closet manager, for her incredible efforts and contributions; without which, we would not have a Clothing Closet at FNSP. In the summer of 2022, FNSP added a new part-time staff Program Coordinator to help manage the Clothing Closet.

KITCHEN IMPROVEMENTS

In Fiscal Year 2022, FNSP received a generous donation from Anchor Church to purchase a new 10-burner oven and range to replace our old stove which was no longer functioning properly. The new stove was installed in January 2022. We also received a generous grant from Dignity Boston and CORPUS to purchase a new reach-in freezer in August 2022. These donations of essential equipment ensure we are able to maximize our ability to efficiently produce nutritious, delicious meals for our guests.
